# AI evolved. Life elevated.

## Multiple tasks with one ask

Streamline your day with an assistant that gets you. Ask it to Google search for a pet-friendly vegan restaurant nearby and text it to your friend – your phone has it under control!

## Reduce the noise. Reveal the magic.

Night Video with Audio Eraser<sup>3</sup> lets you capture vibrant videos in low light and minimize unwanted noises so you can relive your favorite moments with fewer distractions.

## More power to you

Reimagine what's possible with our most powerful processor yet. Effortlessly translate your calls, slow down a video or edit your photos without skipping a beat.

## Start the day smarter

Stay one step ahead with a phone that gives you the info you need before you even know you need it. Now Brief gives you personalized insights based on your schedule.<sup>2</sup>

## Bring out the best in every face

Effortlessly elevate your selfie game. Galaxy AI recognizes your environment's lighting and captures accurate skin tones and textures to bring out the best in every face without extra editing.

## The display your content deserves

Get your head in the game with lifelike details on an incredible display. Watch the worlds of your favorite games come to life with intricate reflections, realistic shadows and vivid lighting effects.

<sup>1</sup>Compatible with select apps. Requires Google Gemini account. Results may vary based on input; check responses for accuracy. <sup>2</sup>Displays daily select information from select apps (some apps may require internet connection). <sup>3</sup>Compatible with common video formats accessible in Gallery; helps minimize six sounds (Voice/speech, Music, Noise, Crowd, Nature, Wind). Utilizes AI; results vary. <sup>4</sup>Display measurements are diagonal, and actual viewable area is less due to rounded corners and camera hole punch. <sup>5</sup>Snapdragon is a trademark or registered trademark of Qualcomm Incorporated. <sup>6</sup>Optical-Quality Zoom refers to sensor cropping on the main sensor to achieve improved quality with digital zoom. <sup>7</sup>Space Zoom includes digital zoom, which may cause some image deterioration. <sup>8</sup>Portion of storage occupied by existing content. 1TB limited to some channels. <sup>9</sup>Typical value tested under third-party lab condition. Rated battery capacity is less. Actual battery life may vary depending on network environment, usage patterns and other factors. For more information, please visit [www.samsung.com](http://www.samsung.com). <sup>10</sup>Requires optimal 5G network connection, available in select markets. Check with your carrier for availability and details. Download and streaming speeds may vary based on content provider, server connection and other factors.
