

SAMSUNG

Experience the Galaxy that's built for the toughest jobs

Ready for anything

Give your frontline team a device that's more than up for the job with Galaxy XCover7 Pro.

Built tough for the way you work

Work confidently with a durable design that withstands the drops¹ and spills² of your demanding work environment.

One push and you're done

Integrate other platforms like push-to-talk or walkie-talkie features and do more with your phone.

Power through your hours

Have plenty of battery life for all your tasks with a long-lasting battery that sees you through your workday — and then some.³

¹This device passed military specification (MIL-STD-810H) testing against a subset of 21 specific environmental conditions, including temperature, dust, shock / vibration, and low pressure / high altitude. Real world usage varies from the specific environmental conditions used in MIL-STD-810H testing. Samsung does not guarantee device performance in all extreme conditions. ²Water resistant in up to 5 feet of water for up to 30 minutes. Rinse residue / dry after wet. ³Based on average battery life under typical usage conditions. Average expected performance based on typical use. Actual battery life depends on factors such as network, features selected, frequency of calls, and voice, data, and other application-usage patterns. Results may vary. ⁴Total amount of available memory may be less based on configuration. ⁵Portion of memory occupied by existing content. ⁶MicroSD card sold separately.
